1. The kingdom of his dear son, is mine. I am the son/kingdom.
2. The kingdom/son is me/you; and we're one/the one, the one he is.
3. We're one and one is, and the one that is is one.
4. Is that clear now?

5. There is only one and I'm him/it. And you're not'me, not. And if you're the not'me not, you're the me plain and simple. Is that profferable, not; explainable, not; is it real, fact? Yes!

6. Plain and simple, plains, planes. Do you hear me? Can you see the attitude, altitude; of not one suffering, but coming out into all now that allship has to, offer, not; but yield into temptation, no, never again; reigning regally, regalia all mine.

7. Sufferingship never had anything like this Elmo.
8. Nay. It's all different now.

9. The now not like the past; now new, is new now; not ancient'd limitedly like so many think the future may be/hold something irreverent not; but very reverentially feared, but what manner of man teach'est this, that the man of sin of me, you, and he; the one who knew no sin, is he, you, too? And how can that be so confusingly simple, -'lified, into simplification theory, 's rules'i'fication, not; but what bemeaneth that can be so, that both, the man of sin, knew no sin; or better stated, can the man of sin become the one man that knew; never knowing sin not, but knew; knowing it again?

10. I entered the past, not; eternity, not, like thought; but what have I entered?

11. The realm of me Elmo.

12. What's it, this, here, where I find me, now?

13. In the new.

14. What's new about it?

15. Thy power, regalhood.

16. Can, can't see it/anything different. Can you, see anything different, about me?

17. The real changes everything Elmo.

18. What's wrong with your/my eyes? What do I feel happening here? I know we talked about feeling love, but what's this process, -ing, that I'm beginning to feel/understand now, not having talked about it much; but Covenant, what's that Covenant thing? You say it's inside of me?

19. Yep, Elmo. The Covenant is inside you. All of it. All of what God has said is, inside you right this moment. (1).

20. Can that be?

21. Yes Elmo. See, things don't work like we've been told they do/work. We've been the worker, bee, when rest was given us (2). Our activity has prevented our regality from being regally seen as such. We've labored for money to put it in bags with holes, and enough is never enough! (3).

22. Ain't that the truth!

23. I died to tell you simple things, these simple things, Elmo; cause I love you. I love you me.

24. What do you mean, you love me me?

25. I mean I love you to the point that all I am I give you/to you all of me. I love you to the point, the extent boundaryless, that my boundarylessness can be entered by you, if you want it/me, not; but my father's boundarylessness is extensible, not; but never ending.

26. You use some big words sometimes. And nots are confusing. Commas abound and semicolons belittle/befuddle me. My understanding gets muddled.

27. I'm sorry Elmo. Have you studied them? Do you read to gain knowledge, or to become what I'm reading about, you're reading about?

28. Become what you're reading about? ME!?, become what I'm reading about?

29. Exactly Elmo, that's what I'm speaking about; ostensibly, you're me; not like we've taught, or think normally; but our normalcy mode has been/gotten corrupted, so that we think not angelically, but mangitudinally.

30. What's mangitudinally mean?

31. Man that gotten longitudinally'ized.

32. Oh, I should have known.

33. You see, mangitudinally not; angelically. What are we really, something down here to crawl on the ground; forever not; but just until we rise after death/dying to/in the flesh world, to see eternity? And that be something that all have told is wonderful, bliss, and eternally sitting around playing harps, not; but what manner of man can tell us what heaven is, really like?

34. I don't know.

35. I can. You're it. It's inside you (4). You inside it, each other (5). We're one (6).

36. Confusing isn't it.

37. Yes Elmo. That's why it requires study, study. Study to show thyself approved, not; but what thou art already, not a piece a clay dusted with spirit, spirituality, if and when; but you're the real thing/McCoy, Elmo, IF you surrender to being it.
38. You are already!, Elmo, but now knowing it, the Covenant you are/have with father goes abandonly suffering, lacking any moral code, not; but what manner of joy thinkest that he's given you, if he's given all of himself inside you already?

39. Ain't no joy much 'round here. I look, ache for it. It eludes me. Illusive is its countenance.

40. The countenance of God, Elmo, is you! He doesn't look just like you, he IS you.

41. Can't be.

42. Yes Elmo! It's true, absolutely true! (7). You see, remember us saying, talking about, there is ONLY one?

43. Yep.

44. There is only one (8). The fabrication of myths, mythology, has taken over religion, not like we thought, but mythically not, but befriending the devil, has given devil'like proportion to God! And we think there's two deities; when there's only one!: me, that's you, that we are, in surrender to father; being father, having entered father. (9).

45. Is father a mist?, that we can enter/walk in to?

46. It's when we get born again, we enter something far greater than man/tongue has ever told/revealed to us (10). Remember us talking about getting all God has for us, in this life, without dying at the end of our life, but dying in life, to this life, as we think of it (11), so that we can enter reality real (12).

47. Yep, kinda.

48. May be worth rereading Elmo.

49. Yep. I better reread it a hundred times more.

50. Well I don't know about a hundred times more Elmo, for so much more new coming about is, all the time, everyday, that you may not can read it a hundred times, but until; just until.

51. Until what?

52. Until you become them, it; the message birthed in you! The message births something in you. Isn't that how we started, something about talking about becoming? Remember the Covenant inside you, inside of you (1), that is, already there? These words birth the seed of Covenant that you are/carry!

53. Oh my. I'm pregnant and didn't know it.

54. That's right (13). You haven't brought forth, birthed forth the Covenant. You haven't brought forth the word. And you'll be condemned and/or justified by your words (14).

55. Scary thing ain't it?

56. It's regal Elmo'no'more. You see, you can only surrender to being regal. Not a worm, ALL of God is inside you, in fact, to the extent that you're not apart from God, you're actually HIM!; El Shaddai, the real thing! The one and only, YOU are! But all this and more Elmo, can only come about in surrender. The realization revolution is here, upon us! It's NOW Elmo. See how easy, easily I am talking, conversing with you about these things? It's now revealed revelation time, the time of his kingdom is now now NOW!, and his kingdom is YOURS!

57. It's almost too much, ain't it, for one person/mind to take in?

58. See Elmo, you can't "take it" in. It's already there, inside you. The fullness of God is in you. The Covenant, you are. You surrender, unlike what we've been told, proffered, all this time; centuries beyond/upon centuries of suffering have ensued, ensnaring us because of evil, the evil that told us we were separate from God, and not him, and the devil was deity'like.

59. A different gospel?

60. THE gospel, Elmo. Look back over the words I've been given. Read them, reread them. Look for the highlights, not just the highlights, but look for the real that connect the real to/in the real, that you is/are. You see, the words birth you.

61. The words birth ME?

62. Yes. The word works wonders, revealing mysteries hidden (15). Ancients had part, partial knowledge; but obscured it was my mythology that proffered what the form of unmythology. Immythology became religion and offered something that mythology sometimes portrayed more accurately.

63. Oh that's a stretch.

64. You see Elmo, God uses everything to teach us, show us, we're him! Not a mist coming up from the earth, to be entered, doing our own thing/lusts (16), creating it (16), going along; happy go lucky, not; but creating sufferingsville everywhere. We are regal. You are regal (17). The Covenant inside you, you're real like never imagined. And all this is coming out to the world, wide open, Elmo! (18).

65. You mean all people will know this, what you're talking about?

66. Yep Elmo. The world's stage is set. Cataclysmic ensues over religion, religious wars, yet religion has/born it wrong. It convoluted itself. Its mind took over. You see, religion's a mindset, a set of beliefs/webs that interacts with other beliefs that enshroud the world/earth. Devil'thought is in religion/religious thought, but we're perfect light! (19).

67. Gone to stretchin' me again.

68. You see Elmo, ain't like anybody's taught us this stuff before. Magical not, it's the scripture! But scriptures have been twisted to be'magical the regal, de'regaling them, us, who knew no sin, into believing we're a/the worm. The worm in us is thinking we're the worm, separate from the living God! Remember when Peter spoke of Jesus being the Christ, and moments later Jesus said get behind me satan?

69. Yep.

70. See, you know the scriptures, but interpretation has been given that deities compete, and that in the end, we win, because of something God does, and we just get in on it; when nothing can be farther from the truth as something that's very close, that takes away the edge that perfects us! The word births perfection in us, to become perfection. We study the words to become what the words are showing us, revealing to us, that we're the son, and kingdom one, the son, -'s kingdom, is being established (20). It already was,

NOW, knowing it/these things, it, we, being established, establish it again (21), perfectedly (22)!

71. Oh. Wow. And all that's going on right now.

72. Yep. You see Elmo, it's all about to erupt like never before; Mt. Vesuvius, not; something far greater, for nothing will be the same again. All reality changes. The unreal doesn't exist.

73. The unreal doesn't exist?

74. No, it doesn't. We think it does, creating it. But it doesn't. Just like deities not God. We give them place, creating them. We're not the devil, but thinking him, his thoughts, we create him/it, like nothing ever given to us; the imagery's real, the facts aren't straight. Crooked, they've ensnared us, incarcerated us, and down here on the ground (23), we lie to each other, thinking religion/religious thoughts, even worshipping the savior, who said come unto me and I will make you fishers of men, in the sea of reality, for to get them out of unreality, the sea of unreality, so it will be no more.

75. My head hurts.

76. See Elmo, what you see, determines all, everything. What you see is what you get, not; it's the opposite, almost. What you see is not real (24). The kingdom of this world is not real, it's passing away (24), at light speed! (25). The incarceration that we've known is passing away. Extemporal will be de rigueur. The temporal will have gone (26). Down the drain, not; but to where?

77. See Elmo, this is the day of great opportunity! The kingdom is being established, your kingdom you're coming into! (27). No one can give it to you, only you can receive it, in surrender! And you don't, won't, even know your kingdom exists in you, if you don't birth the word in you. And Covenant is that birthing process of release that breaks forth suffering from, regalia not; but regalia real!: LIGHT! That process that reveals light, comes from being lit, by the words! Surrender is the process, to the words, that birth the; magic, not; but the real in us, seeing the unreal, understanding it to the point that, extensibly we're not God, but Covenant makes us so. It's only through the word of father that we can live the father's life, father's life that we are/enter. Remember, we enter it/him, the one knowing no sin ever again, is us, when we enter him.

78. I must go Elmo. I'm never coming back, not; but I must go for now. Beckoned. I'm being beckoned. I'm compelled to go/come, and when I come/go I will receive you back into your words, if your words surrender. Build you a fence around them not; but give them wings. The real words that give you wings, be wings. Wing others Elmo, Elmo'no'more, with the words of reality, that challenge everything almost. Yet they build on the foundation of the rock.

79. Oh Elmo, I have more to say to you. I must say it later.
80. I must go now. I love you.
81. It's been nice talking to/with you, but more than that/this Elmo, let the words bring transformation to your thinking, creating something new (28). For it's this new birth that's new, not like thought. Created not like thought, but in surrender, to the words that are real (14). All the real, inside you, is real. Covenant is his/your/our name. And we exist, one.
82. Fleeting moments, not; but I come when I come, not waiting on me, just; come to father. Ask him about all these things/discussions now. Believe the report, for I report soon great things above, from above, that Elmo, stagger the mind of man.
83. It's all over, but the fat lady ain't sung yet.
84. Later.
85. For now, know all, is love.
86. Me
87. I am
